Newsletter 35 - 2026

Thursday 5th November

Just a short newsletter this week for a very short week!
Swimming is off to a great start this week with many of our Foundation and 1/2 students participating.

Students can wear their sports uniform each swimming day as it is easier for changing. It is great to see so many students taking this opportunity to improve their water safety and swimming skills.
Just a reminder that all students need to wear proper swimwear – no street clothing is to be worn in the water. Goggles and swimming caps can be worn.
All students will need a towel.
Please make sure all items are clearly named and sent in a waterproof bag.

Last week, the 3/4 Learning Community took part in an exciting Maps and Mayhem incursion! Students put their knowledge of grid references, maps and compass directions to the test as they worked together to locate hidden QR codes around our school.

Using iPads, students collaborated to solve riddles, follow clues and navigate their way to different locations. The highlight for many students was working as a team to crack the riddles and discover the next hidden location! They even worked hard to get bonus points by answering geographical questions that appeared after matching the correct riddle to the right QR code.

It was a fantastic opportunity for students to apply their mapping skills, practise problem-solving and strengthen their collaboration skills while having fun along the way.

Nada has organised performances with each of the Learning Communities and the School Choir will also perform.
