Congratulations to these students who achieved 100% attendance last term.

Turning up everyday and on time is a fantastic effort, especially during the colder months when lots have people get sick and need to stay home.

As the weather warms up this term, let's see if we can get even more people this term who get 100% attendance!

There are some people who are in the running for the rainbow wristband as they haven't yet missed a day all year!!

I wonder how many will make it to the end with 100% attendance for the whole year?

We also love to see students improve their attendance, so no matter what percentage you got last term, see if you can get an improvement award for this term by improving your percentage.

Congratulations also to Toby and Seb for representing Glenroy Central at the Northern Metropolitan Region Athletics Finals on Wednesday 14 October. Toby finished 3rd in the high jump, achieving a fantastic personal best of 147cm, while Seb placed 5th in the 100m sprint in a competitive field of 12 athletes. Well done to both students on their outstanding efforts!

Tomorrow, we have Glenroy Central's Got Talent. It will start at 2:00pm promptly in the gym and will go until about 3:10pm. This will leave enough time for students to return to their Learning Communities at the end and get their bags before the bell goes.

This, of course, means that there will be no assembly.

We would love to see you come and see the performances but **please be here**

before 2:00pm (gates open at 1:50pm) for a prompt start and to avoid disrupting performances. If you are late you may have to wait until a performance finishes, before you are admitted. Foundation is first on the schedule so if you don't want to miss them be on time!

Car parking could be a bit tricky so maybe leave early and walk down if the sun is shining!

Have a great weekend!

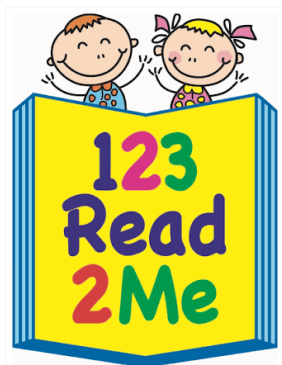

Remember, everyday counts!

Principal**

Remembrance Day: Coming up on November 11th is **Remembrance Day** - the day many countries around the world remember those who have sacrificed their lives for their country in war. This year it is the 108th anniversary of the end of World War I. The **poppy flower** is the symbol of Remembrance Day and to support the RSL we are selling, **\$2 and \$5 poppies, \$3 wrist bands and \$5 pens** at the office over the next few weeks. Please support this very worthwhile cause. Sales begin next week.

Student Voice Ambassadors –

From 5th October until the 30th October we will be collecting pre-loved books for the charity 123 Read to Me.

It is a free Children's Book Charity that gives free, unwanted and donated books to the Aussie kids who need them. Help us, help them! If you can find up to five books that are in good condition (no rips or scribble) that you think other children would love to read, bring them along!

Share some books with children who don't have any!
The SVAs will tell you what you need to do at assembly!

There is still time!

From Primary to Secondary: A New Beginning

Do you have a child starting secondary school in 2027? Join us for an informative session designed to help families prepare for the transition to high school.

This session will provide families with practical advice about preparing their child for year 7 and supporting them through this significant transition.

We will explore ways to build confidence, independence, organisation and a sense of connection before the school year begins. Families will also receive guidance on helping their child manage the changes, expectations and emotions associated with starting secondary school so they can begin feeling prepared, supported and ready to thrive.

Families will hear directly from students about their experiences of transitioning to high school, including what helped them settle in, the challenges they encountered and the advice they would offer future students and their families.

We are pleased to welcome a diverse panel of voices who bring valuable perspectives on student transition, inclusion, and wellbeing.

The Panel:

- A group of students who will share their firsthand experiences of secondary school life,
- A Year 7 Leader and Transition Leader, who support students as they navigate the move into secondary education
- An Assistant Principal of Disability and Inclusion, who leads initiatives that ensure every student is supported to thrive and belong.

Together, the panel will provide insights into the transition journey, the supports available to students, and what helps create a positive and inclusive school experience for all.
