Newsletter 34 - 2026

Thursday 29th October

Last week the Year 1/2 students participated in an engaging Bus Safety Incursion presented by Steve and Robyn, a school bus driver. They watched an informative video about how to stay safe when travelling on a bus and answered questions to demonstrate their understanding of bus safety.

The students then went outside to explore the bus and discovered its important safety features. They learnt key safety rules, including never walking in front of or behind a bus and always wear a seatbelt, just as they would when travelling in a car.

It was particularly valuable to hear Robyn share her perspective and experiences as a bus driver, helping students understand the importance of making safe choices while travelling. The incursion was an informative and enjoyable experience, and the students gained valuable knowledge about bus safety.

This week during our STEM specialist sessions the senior school had a workshop from eSmart (Alannah & Madeline Foundation). The workshop introduced students to the 4C risk areas to online safety; conduct (how we behave), content (what we consume), contact (who we connect with) and compulsion (how much time we spend online).

The Year 5 and 6 students looked at how algorithms can be shaped and we discussed useful strategies to help them to manage algorithms. We discussed practical strategies for making safe and informed choices

online and managing screen time. Ask your child to share some strategies they learnt to help them manage their screentime.

The Year 3 and 4 students looked at why things aren't always as they appear online and learnt to distinguish between information that is and is not ok to share online. We encourage you to continue this important conversation at home.

All students brought home an information sheet providing information about the session and some resources that could support parents when managing student's online behaviours. If you would like more information about being safe online you can visit the eSmart - Alannah & Madeline Foundation or eSafety Commissioner websites.

Years F to 2 swimming begins next week on Wednesday 4th November for those attending. Students can wear their sports uniform each swimming day as it is easier for changing. It is great to see so many students taking this opportunity to improve their water safety and swimming skills.

Just a reminder that all students need to wear proper swimwear – no street clothing is to be worn in the water. Goggles and swimming caps can be worn. All students will need a towel.
Please make sure all items are clearly named and sent in a waterproof bag.

On Thursday 19th November we will be having our **Artsmania Family Evening** where we showcase some of the great Visual and Performing Arts of 2026. It will run from 4:30 to 7:00pm. Each Learning Community will do a performance and there will be a big display of the artwork the students have created over the year. There will be some face painting and fake tattoos for the children and some kebabs and sausages on sale to feed the hungry! The canteen will also be selling ice creams and drinks. Nada has organised performances with each of the Learning Communities and the School Choir will also perform. Some of the movies from the STEM program will be open for viewing. **We hope to see you all there!**

Volunteers needed for BBQ: contact the school on 93064144 if you would like to help at Artsmania!

Don't forget that there is no school on Monday or Tuesday next week!

See you all Wednesday 4th November for F-2 swimming!

Have a great long weekend!

Remember, everyday counts!

Remembrance Day: Coming up **on November 11th is Remembrance Day** - the day many countries around the world remember those who have sacrificed their lives for their country in war. This year it is the 108th anniversary of the end of World War I. The **poppy flower** is the symbol of Remembrance Day and to support the RSL we are selling**, $2 and $5 poppies, $3 wrist bands and $5 pens** at the office over the next few weeks. Please support this very worthwhile cause.

The **Year 6 students are raising money for their graduation ceremony and dinner.** We will be selling Zooper Doopers on **days over 25 degrees** for **$1.00** to raise money for their graduation ceremony. We look forward to seeing you all at the canteen – but don't forget **NO HAT NO ZOOPER DOOPER**!

Student Voice Ambassadors –

Tomorrow is the last day to bring along your pre-loved books for the charity 123 Read to Me.
It is a free Children's Book Charity that gives free, unwanted and donated books to the Aussie kids who need them. Help us, help them!
If you can find up to five books that are in good condtion (no rips or scribble) that you think other children would love to read, bring them along!
Share some books with children who don't have any!

Dear Families,
We were delighted to see the children's enthusiasm and interest in the recycled materials activities we introduced last week. It was wonderful to observe their creativity, problem-solving skills, and imaginative play as they explored a variety of recycled resources. Due to their positive engagement, we will continue to extend and build upon these experiences in the coming weeks.
As a reminder, we are still seeking donations of clean recycled materials to support our program. Items such as bottle tops, milk cartons, milk bottles, newspapers, magazines, egg cartons, and small cardboard boxes are greatly appreciated. These resources play an important role in helping us create engaging and meaningful learning experiences that the children enjoy.
We are also excited to launch a range of cooking activities during our Before School Care sessions. This initiative is designed to promote our morning program while providing children with a fun, engaging, and hands-on experience before the school day begins.
Cooking activities are a wonderful way for children to develop confidence, independence, creativity, and teamwork skills while preparing and enjoying delicious treats with their friends. We look forward to seeing our young chefs participate in these exciting experiences and showcase their wonderful creations. Please see the flyer below for more information on how to enrol and make bookings for these special cooking sessions.

We Value Your Feedback
As we begin planning for 2027, we would love to hear your thoughts and ideas about what you would like to see at **Corpus Christi MACSEYE** in the future.
We encourage all families to share their feedback by completing our online feedback form: https://macseye.vic.edu.au/contact/feedback/
Your suggestions and insights are greatly appreciated and help us continue to improve our service and provide the best possible experience for children and families.
Reminder: Sign In and Sign Out Procedures
To ensure the safety and wellbeing of all children, and in accordance with our service policies, all parents and guardians are required to:

- Escort their child into the service each morning and sign them in.
- Enter the service to collect their child in the afternoon and sign them out.

Please note that educators are not permitted to collect children from the school gate or drop children off at the gate. These procedures are essential in maintaining the safety and security of every child in our care.
Thank you for your ongoing support and partnership. We look forward to another exciting term filled with learning, creativity, and fun for all our children and families.
Kind regards,
Coordinator Deb
