

This week we remember the **Moon Landing on its 50th Anniversary**. This is a great opportunity to share a learning experience with your children as there are so many documentaries and films about this momentous event. In our work at school we are always trying to link our learning to real world happenings. Our Investigations Topic this term "I Am a Physicist"

presents a wonderful opportunity to talk about the role of physics and the many inventions that were needed to explore space and put a human on the moon. **Curiosity** and **Collaboration** also played a major role!

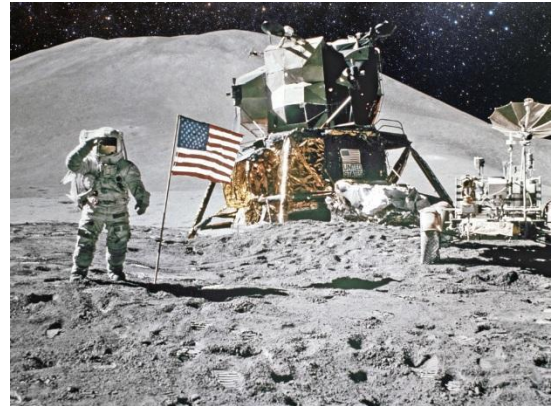

Photo Day went really well yesterday and everyone was looking their sparkly best. It is always difficult to get everyone looking the right way for the whole school photo but I think we succeeded! Photos will not arrive for a few weeks and we will let you know through a text when they are coming home with your child so you can make sure you get them. A big thank you to the 1/2 parents – only a few came in their sports uniform even though it was their day for specialist classes. If there are any late orders for individual or year group photos please go to the following website to put in your order: www.eliteschoolphotography.com.au Our school password is ESP202515.

Last Friday our football team played in the Grand Final of the Glenroy District School Sports Association against Ilim College. It was such an exciting game with the lead changing several times over the course of the game. Unfortunately we lost by 3 points but I was so proud of the way the team played and supported each other. It was a very even game and I congratulate both teams. A big thank you to everyone who supported the team throughout the season and to those who came along to support us in the Grand Final.

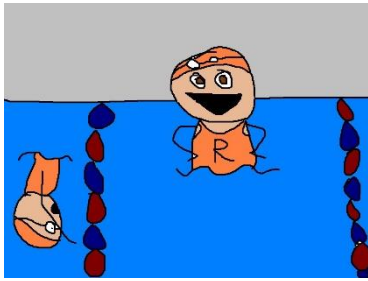

Lately we have had some parents and students not using the school crossing to cross Logan St. This means that they are crossing between parked cars and through traffic and this is putting people at risk. I know it takes a little longer to go to the crossing but it is so important for us all to set a good example for children and demonstrate the importance of road safety. There are too many accidents involving pedestrians and we all need to

look after each other. Say hello to Rita our crossing lady and she will make sure you get across the road safely.

Remember - Every Day Counts!

Have a good weekend

Jo Money
Principal

Junior Learning Community Swimming (F to 2)

Forms will be going home next week for the swimming program for the JLC. We hope to have as many students as possible participate in this program, as learning water safety and swimming is essential to keep children safe near and in water. We hope you will take this opportunity to provide your child with the important skills required to stay water safe. It is, of course, also lots of fun!

READING IS MY SUPER POWER

August 1 – 31 Book Challenge

Only one week until the Glenroy Central Reading Challenge begins across the school. Students will receive their record sheet over the next few days. The Challenge will run from August 1 through to August 31.

Students in the Senior School can read fiction, non-fiction and graphic novels to become a Super Hero reader! All they need to do is to record the title and author of each book that they read.

Students in the Junior School need to colour in each square as they complete the tasks on the record sheet. These range from reading a book on animals and sitting outside to read through to reading on a Monday or taking a look at a book on dinosaurs.

Good luck with your reading!

FOUNDATION ENROLMENTS 2020

Enrolments places are filling up quickly. If you have a child who will be starting school next year it is really important to complete the enrolment forms to ensure your child has a placement at Glenroy Central PS next year. Enrolments close on **August 1st 2019**.

Our school zone:

The Department's new website findmyschool.vic.gov.au hosts the most up-to-date information about Victorian Government school zones. Information on this site is updated in Term 1 every year. It clearly indicates the zone for each government school. You just type your address in, click primary, secondary or specialist and it will show you the zone for your local school.

To visit the site, see www.findmyschool.vic.gov.au

KINDER ENROLMENTS 2020

2020 Enrolments are now due for 4 year old kinder. Places are filling quickly so please collect an enrolment form from the office or follow this link to the Moreland Council kinder page <https://www.moreland.vic.gov.au/community-health/children-and-families/kindergartens/four-year-old-kindergarten/> or contact the Council on 9240 1111 for further information.

Three year old enrolments can be registered at the school office. You will need your birth certificate and medicare immunization record to enrol along with a \$25 deposit.

We are a Child Safe School.
