

Welcome to Term 2. I hope you all had a relaxing holiday break and are ready for the busy term ahead.

At the end of last term, we had our first **House Spirit Day** for the year. These days are organised and run by the student leadership team and provide opportunities for students to belong to a team that has lots of different ages and interests. Each term there is a theme selected by the students. Last term the theme was Friendship.

There were four activities for the students to rotate through on the day with the older students helping and guiding the younger ones.

Activity One was a Happy Hands activity that was creating their own friendship bracelets and handshakes.

Activity Two was a Making Memories activity. The students took photos for a scrapbook House display. They had a whole range of scrapbooking materials with plenty of glue and scissors to put their creations together.

Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.

Activity Three was making 'Kind On Purpose' cookies. They listened to a story about the Kindness elves and discussed how to do random acts of kindness. They then had some great fun making the cookies and eating them of course!

Activity Four was Golden Games. All the students participated in team building games out on the oval – Tents and Campers, Octopus and Fruit Salad!

This morning our School Captains **Elsa and Zunairah**, led us in an **ANZAC Day ceremony** to commemorate this important day. Congratulations to **Thom and our singers** who sang a beautiful version of 'The Last ANZAC'. Each Learning Community and our Kinder Kids made wreaths to bring to the front and these were later placed around our ANZAC tree that is in the front garden of the school. These are now in the front foyer near the office. All the students did a magnificent job of the wreaths. The school captains told us a bit about ANZAC Day and the Ode for the Fallen was read. We then played the last post and had a minute's silence. It was wonderful to see how respectful our students were on this very important occasion. This is a small excerpt from the ceremony:

ANZAC day is a day when we remember the anniversary of the landings of Australian and New Zealand soldiers or ANZACS, as we now call them, on some beaches far away from Australian shores. On ANZAC Day, throughout Australia, New Zealand and many parts of the world, ceremonies are conducted to

honour the memory of those brave ANZACS who died defending our country. ANZAC day is a reminder that war is horrible and while we should be proud of what the ANZACS and other Australian soldiers have done, we should always remember that there are never any winners in wars. Every ANZAC Day, we should remember all current and former members of the Australian Defence Force.

Have a great long weekend! (no school tomorrow)

Remember, every day counts!
