

This week we had our school review. The panel spent time in our Learning Communities seeing what we do to get such great results! They also interviewed a range of people across our school including parents, teachers, support staff and students from each Learning Community. Here are the students who told the panel what they thought about our school.

A big thankyou to the parents who made some time to come along and chat to our reviewer Cate. All the information gathered from our School Review will be used to help us reflect on the last four years and to construct our next four-year Strategic Plan. This plan will have goals and targets we will be working towards over the next four years.

If you would like to give us some feedback, don't forget our **Parent Survey** which is now open. The link was sent to you all via email. Thanks to those who have already completed it:

Save the date!

Coming up soon will be our Father's Day Bricks and Breakfast. It will be in the gym from **8:15-9:00am on Friday 4th September**. This is a great opportunity for dads or other male role models to come and spend some time with their children completing Lego challenges. Keep an eye out on Xuno for the event and make sure to RSVP on time. Remember that guests can only enter the gym if they have a name tag and that we can only have one guest per family. There will be a special gift to take home on the day.

The school treats any personal information we gather from you confidentially and in line with the Department's Privacy Policy.

Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.

Today the details of the **JLC swimming Program** were sent out through XUNO. Please select carefully and only choose yes if you intend your child to attend the program. Much effort goes into organising supervision and transport of swimmers and supervision and programs for the non-swimmers. The non-swimmers will be participating in a water safety program back at school as is required by the Victorian Curriculum. Once you have said yes to the program and paid your deposit, timetables and schedules of supervision will be organised. It is very difficult when people change their mind at the last minute so please select your option carefully. We appreciate your support.

Also welcome back to **Jess Mona** who has returned from family leave! She will be working in the 3/4 Learning Community on Wednesdays and Thursdays for the remainder of the year. We are very excited to have her back!

For all the creative types, check out the short movie competition below run by Nada!

Have a great weekend!
