

On Thursday 30th July twenty-seven students from Grade 5/6 proudly represented Glenroy Central Primary School at the Hoop Time Basketball Tournament.

Students travelled to the event by train from Glenroy Station to Broadmeadows, and then walking to the stadium.

Glenroy Central entered three teams: Future Stars Mixed, Future Stars Girls, and a Rookie Team. Across the day, all three teams experienced a mixture of wins, draws and closely contested

losses, with every student showing determination and teamwork. A special congratulations goes to our Future Stars Girls, who progressed all the way to the Grand Final before narrowly going down by just one point in an exciting and competitive match.

We are incredibly proud of the way all students represented our school.

The school treats any personal information we gather from you confidentially and in line with the Department's Privacy Policy.

Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.

They consistently demonstrated our school values by showing resilience, sportsmanship, respect for opponents and officials, and a willingness to learn and improve throughout the day. Thanks to Tom, Shonel and Thom for supervising on the day. Well done to everyone involved!

Swimming began this week for the SLC. The students not attending swimming will participate in some water safety activities as well.

Just a reminder that **all students need to wear proper swimwear** – no street clothing is to be worn in the water. Goggles and swimming caps can be worn. All students will need a towel.

Please make sure all items are clearly named and sent in a waterproof bag.

If you need assistance acquiring swimwear please contact the school.

We have created an Instagram account! We invite parents and families to follow us **@glenroycentralps** for important updates and reminders. We will never post identifiable images of students on our social media, and would like to remind you that students should not follow the account as Instagram is a restricted platform for under 16-year-olds.

Recently the e-safety commission has issued alerts about the hidden dangers of posting images of children on social media, so I have included some tips for safe sharing on your own social media sites.

Hide Faces: Blur the child's face or cover it with an emoji.

Crop Closely: Take photos from a distance, or frame just a hand or foot instead of a full portrait.

Strip Details: Never share full names, ages, school names, or birthdates in captions.

Turn Off Locations: Do not use check-ins or share real-time locations.

Use Private Channels: Share unmasked family photos directly with trusted relatives through encrypted, private group chats rather than public feeds.

It's that time of year when we have to give our predicted numbers of students for 2027 to the Department of Education.

If you will not be returning to Glenroy Central next year, please give the school office a ring on 9306 4144 to let us know.
