

Last Friday the staff and students helped Belinda and I celebrate Principal Appreciation Day. Thank you to everyone for the lovely lunch and the fantastic card with all the messages from the students. You can see it takes a rather large card to fit everybody on! I really appreciate all the great support I get from staff, students and the families at our school that together helps make Glenroy Central Primary such a great school and a wonderful place to work. I am very proud to be your principal!

During the month of August we have on our Reading Challenge. We have seen students get off to a great start reading the sorts of books that they love the most. The challenge is about promoting reading and has a focus on the great joy that a wonderful story can bring.

We hope you are using the opportunity to encourage your child to read more and share with you some of their favourite books. Remember to complete your record each day! I have included some of our star readers from the Junior Learning Community this week – keep on reading!

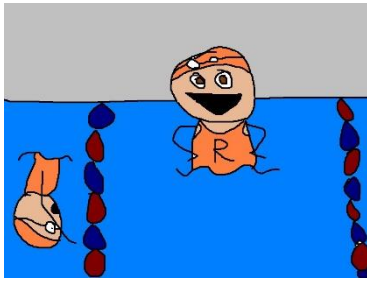

Students in the Senior School can read fiction, non-fiction and graphic novels to become a Super Hero reader! All they need to do is to record the title and author of each book that they read. Students in the Junior School need to colour in each square as they complete the tasks on the record sheet. These range from reading a book on animals and sitting outside to read through to reading on a Monday or taking a look at a book on dinosaurs. Good luck with your reading!

Remember - Every Day Counts!

Have a good weekend

**Jo Money
Principal**

Junior Learning Community Swimming (F to 2)

Forms have gone home for the swimming program for the JLC. We hope to have as many students as possible participate in this program, as learning water safety and swimming is essential to keep children safe near and in water. We hope you will take this opportunity to provide your child with the important skills required to stay water safe. It is, of course, also lots of fun!

Finally, a note will go out today asking all families to indicate what their plans are for 2020. As we move closer to the end of this term, we have to start planning for staffing for next year, so if you are not returning to Glenroy Central PS please let us know as soon as possible. Also, please indicate if you have a student for Foundation or Kindergarten who will be joining us. We understand that sometimes people are unsure of their plans, but if you could indicate you are unsure then we will take that into account as we begin our planning and organisation.

GLENROY COLLEGE
