

Welcome to 2024!
I hope that everyone has had a relaxing holiday break and that you are all ready to go for a busy year ahead. Great to see everyone back and eager to learn! Welcome

to all the new families that have joined us at Glenroy Central. I know that everyone will make them feel welcome.

Thank you to all those families who have already processed their school payments for 2024. If you have not yet done this, please do so as soon as possible. If you have a Healthcare card, please provide a copy to the office.

If you are paying by electronic transfer, please make sure you put one child's full name in the reference line, so we know which family has paid.

A special welcome back to our staff at Glenroy Central PS. The staff are always willing to help in any way they can so please contact them if you have any issues. The easiest way is to send a message through **XUNO**. I have listed them with their roles, so you know who they are. They all have names badges, so staff members are clearly identified. We do have a couple of new staff this year.

Welcome to our new
FOUNDATION
STUDENTS who started
their school journey this
week!

We are very happy to have them, and their families, join our school community. It is a very exciting time, and we look forward to working with them all.

Some of our Foundation students are siblings of other students but many of them are new families to our school so I know everyone will make them feel welcome to our school community as they embark on their learning journey filled with curiosity and excitement.

Meet and Greet: There will be a meet and greet opportunity on two Wednesdays in a row – 14th and 21st between 3.30pm to 7.30pm to talk to teachers about how your child has settled into school. You will be able to book your interview time through our Xuno Booking App. We will notify you via XUNO when this is available. The 14th February will be for those families whose surname begins with the letters A to J and the 21st February will be for those families whose surname begins with the letters K to Z. More information is coming soon and we look forward to seeing everyone. This is your opportunity to tell us anything we need to know about your child and how we can best support them, and the teachers will explain the routines of the Learning Community and how your child has settled in.

Assembly will take place each Friday in the gym at 3:00pm **beginning next week.**

At assembly the weekly awards are given out and one of the Learning Communities shares something from their Learning Community. Everyone is welcome to come along. The teachers in the Learning Community will let you know when it is their turn to present although I'm sure your child will let you know if they are presenting!.

I look forward to a productive and happy year with you all.

Remember, everyday counts!
