

This week we congratulate those students who have been appointed to the very important jobs of **School Captain and House Captain**. There were a large number of students who applied for the roles and I thank all those that were interested and put so much effort into their applications – it was a difficult choice. All the Year 6 students are the leaders in our school and will be excellent role-models for all our students over the year. Our newly elected leaders and all Year 6 students will have the opportunity to attend **the GRIP Leadership Conference** in the city on **March 13th** to help build their knowledge and skills. Congratulations to those who have been selected for these special positions and I look forward to working with them all.

Jo Money Principal

After consultation with the police this week, from now on we will be enforcing a left turn only out of the drop off zone. We hope that this change will help to keep the flow of traffic moving and will cause less congestion in Logan St.

We will be installing signs as soon as possible. If you can enter Logan St from the Melbourne Ave end that would also greatly assist traffic congestion. Please remember Logan St is a 40KM school zone and that everyone crossing the road needs to use the school crossing for safety. We appreciate your assistance to help keep our school community safe

Zooper Doopers or icy-poles are sold for **\$1.00** from the canteen on Fridays during Term 1 and Mondays and Wednesdays over 25 degrees. Any money raised goes towards equipment for students and Grade 6 graduation. Purchase of these is completely at parents' discretion.

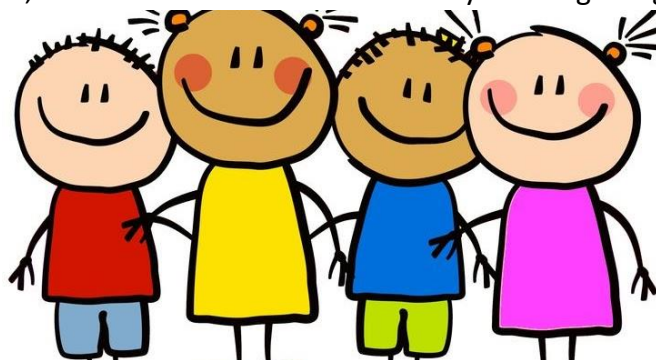

KINDER NEWS

The kinder children and families are now all settled into kinder life, children are establishing friendships and engaging with both peers and adults. We have continued to look at colours and focused on shapes and their characteristics. We have also started with name recognition, most children are well on the way to recognising their first name, some are already writing the first few letters of their names, this is an excellent start.

The children have started the library book program where each child takes home a library book each week to share with their family. Our veggie patch is in full swing, bugs are already starting to form.

Enrolments for kinder 2020 will open in Friday March 1st. Enrolments are taken at the Moreland City Council, enroll early to avoid disappointment.
