

Meet the

TEACHERS

Next
Wednesday 14th
February, we will
have the first
part of our Meet
and Greet the
teachers for

those whose surname begins with the letters from A-J beginning at 3.30pm. The second part for those whose surnames begin with K-Z will be the following Wednesday 21st February. **The online system is now open in XUNO for those A to J. It will open for K to Z next Thursday. Please make sure you book a time.** Please let us know if you are having any issues and the staff in the office will be happy to assist you. This is a wonderful opportunity to meet those teachers who are working with your child every day at school. I know the teachers look forward to meeting everyone and finding out any extra information that will help us better meet the needs of your child. We hope you find it useful to clarify any issues or questions you might have about the way we operate. If for any reason you cannot attend your selected time and need to cancel, please let your designated teacher know through XUNO.

Child Safe Standards

The Victorian Government and the Department of Education is committed to the safety and wellbeing of all children and young people. The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. There are **11 standards** that help to guide our work at Glenroy Central and that are embedded in our policies and processes.

Keeping
Children
Safe

Our Child Safety Officer is Nicole Kendall

The eleven child safe standards are:

- 1 – Organisations establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued
- 2 – Child safety and wellbeing is embedded in organisational leadership, governance and culture
- 3 – Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously
- 4 – Families and communities are informed, and involved in promoting child safety and wellbeing
- 5 – Equity is upheld and diverse needs respected in policy and practice
- 6 – People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice
- 7 – Processes for complaints and concerns are child focused
- 8 – Staff and volunteers are equipped with the knowledge, skills and awareness to keep children and young people safe through ongoing education and training
- 9 – Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed
- 10 – Implementation of the Child Safe Standards is regularly reviewed and improved
- 11 – Policies and procedures document how the organisation is safe for children and young people

Glenroy Central Primary School is committed to preventing child abuse and identifying risks early and removing and reducing these risks. We have robust human resources and recruitment practices for all staff and volunteers. We are committed to the cultural safety of Aboriginal children, the cultural safety of children from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children with a disability. Our school has specific policies, procedures and training in places that support our leadership team, staff and volunteers to achieve these commitments.

PROTECT

Protecting children & young people
from abuse is our responsibility

We work hard to make sure that all our students are well supported so they can learn in a safe and happy environment. **Nicole, our welfare officer and child safe officer** is available to talk to students and members of the school community if they have a concern about child safety at our school.

The child safe standards apply to all school staff (including volunteers and contractors), visitors and students' family members. Keeping children safe is everyone's responsibility. All policies are available on our school website: www.glenroycentralps.vic.edu.au

All school communication comes through XUNO so please make sure you have it installed with notifications turned on.
