

Welcome back to Term 3 everyone! I hope you all had a relaxing break and stayed warm! It has certainly been very cold over the last few weeks. I think there might be a few more cold days to come as well!

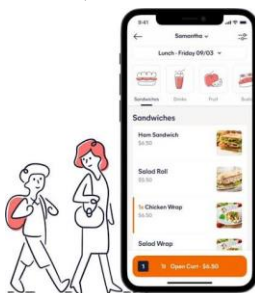

A reminder that the gates do not open in the morning until 8:30am and we do not want students waiting out in the street in the cold.

To ensure the safety of our students, please do not drop off children until the gates are open.

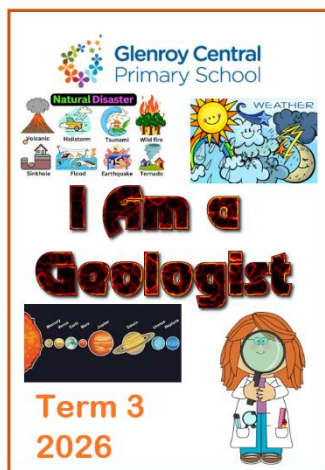

This week we started our new lunch order system through **Spriggy Schools**. We had 74 orders for Week 1 so that is an excellent start. We hope everyone finds this a useful addition to our school. You just have to download the app and put our school name in, create an account and start ordering! You can

order for Wednesday lunches only at the moment so you will notice the other days are greyed out. This innovation came from our student forum where we provide opportunities for students to suggest ways we can improve our school – lunch orders came up quite a lot!

This term we are looking at our planet earth and the many things that impact it – its structure, natural processes, reduce, reuse, recycle, the weather, natural disasters, comparison to other planets and its place in the larger solar system. Each learning community is using a different perspective to build their understandings and knowledge. We look forward to another exciting term of curiosity and learning.

This term we welcome our new art teacher, Brooke Wolsley. I know everyone will make her feel welcome at Glenroy Central. We look forward to working with her and creating some amazing art! Introduce yourself if you see her around!

The school treats any personal information we gather from you confidentially and in line with the Department's Privacy Policy.

Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.

We are finalising our Foundation enrolment numbers for 2027.
If you have a child who will be starting school next year at Glenroy Central, please make sure you come in and see Mariam in the front office.

We finished last term with another fantastic House Spirit Day. Please see below for some photos and information!

Individual **NAPLAN results** for Years 3 and 5 students have now been delivered to the school and will be sent home today. Please check with your child and look for the big white envelope. Please make sure you store this information somewhere safe as we cannot provide any further copies of them.

NAPLAN results were excellent and I congratulate all the students and the teachers for all the hard work that they do all year round to improve the knowledge and skills of our students. If you would like to discuss any of the individual results with the teachers, please contact them through XUNO.

Here is a summary of our results (students who received strong or exceeding) against similar schools (size, socio-economics and demographics) and the schools in our network of Merri-bek:

Year 3	GCPS	Similar Schools	School Network	Year 5	GCPS	Similar Schools	School Network

House Spirit Day Term 2

At the end of last term, we had our first **House Spirit Day** for the year. These days are organised and run by the student leadership team and provide opportunities for students to belong to a team that has lots of different ages and interests. Each term there is a theme selected by the students. Our theme is Lights, Camera Action!

There were four activities for the students to rotate through on the day with the older students helping and guiding the younger ones.

Activity One was House Chant where each house learned a short set of choreography to match house chants and decided on which one they would present to everyone at assembly.

Activity Two was Maze escape where students rotated through 3 maze activities; mini mazes (pencil and paper), mega mazes (cars), and a robot maze using the spherobots!

Activity Three was Willy Wonka's Chocolate Bars where students coloured their own chocolate bar label before creating their own Willy Wonka Chocolate Bar by adding lollies to a KitKat bar. This one was very popular!

Activity Four was Oval Games. Students rotated through a series of outdoor sport games including octopus, dodgeball and fruit salad. This got everyone moving! The House Captains did a great job all day leading their teams.
