

This term as we look at our planet and all the different areas that affect it, the 1/2s are focusing on the weather. They will learn about what makes the weather happen. We know what a big part weather plays in everyone's lives. It impacts our mood, our physical health as well as our daily activities. When the sun is shining we all feel a lot better!

As part of their unit the 1/2s will be giving a daily weather bulletin over the PA system each morning. Everyone will get a turn. We look forward to hearing their daily forecast and hope it makes us feel better!

Next week is **Friendship Week** – a week dedicated to kindness and belonging and to celebrating social well-being. We all know how important

it is to find the people you feel comfortable with and who share your interests and passions. Having good friends can make all the difference in mental health and social well-being

To help celebrate Friendship Week the **Student Voice Ambassadors** have come up with a timetable of **lunchtime activities** for the students to do.

The JLC and SLC will have a **disco and karaoke** on one day and a fun day of **outdoor activities** involving skipping ropes, hula hoops and bubbles on the other day!!!

It sounds like a lot of fun to be had with friends and maybe an opportunity to make new ones!

Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.

A group of 50 Year 3/4 students went off to camp today to **Malmsbury**. Camp offers numerous benefits for children, including fostering confidence, promoting independence, enhancing social skills, and developing leadership qualities. It also provides opportunities for physical activity, teamwork, and a connection with nature. I'm sure they will all have a great time and we all look forward to hearing about their adventures when they return!

Let's hope the weather is kind to them!

The **3/4 non-campers** will also be having lots of fun with Lisa C and Nada. They had the opportunity to come up with some activities they would like to do over the days the others are at camp – everything from cooking, science experiments and craft activities. Looks like a movie is also on the list!

We look forward to hearing all about their adventures from both groups!

Have a great weekend!

Remember, everyday counts!
