

On Monday, our Foundation students proudly celebrated their **100th Super Day of Learning!**

The day began with parents joining in the fun as they rotated through four exciting activities: making fairy bread, counting to 100, creating special photo frames, and designing their very own

superhero crowns.

Throughout the day, our super learners completed exciting missions, shared what they love most about school, and finished the celebrations with a fun-filled dance party.

It was a  
SUPER day  
celebrating 100 days of learning together!

## **Term 3 2026**

**Curriculum Day – Pupil Free – Friday 31<sup>st</sup> July**

**The school treats any personal information we gather from you confidentially and in line with the Department's Privacy Policy.**

*Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.*

This week, we have celebrated **Friendship Week** with a number of lunchtime activities organised by **Sev and the Student Voice Ambassadors**.

Students had a disco in the gym with glow sticks, party lights and karaoke. They also had a chance to take a polaroid picture with their friends and use stickers to decorate the polaroid. Outdoors, students enjoyed games together with bubble machines blowing bubbles all around. They played with hula hoops, quoits and skipping ropes. Everyone made some great memories with their friends and might have even made some new friends!

Last week some of the 3/4 students went to Malmsbury for Camp Doxa. It was a chilly, fun filled 3 days packed with adventure and curiosity! Students challenged themselves on the rock climbing wall, soared through the air on the giant swing and worked together to complete the low ropes course.

They also explored the natural environment during a nature walk and showed creativity through the nature craft activity.

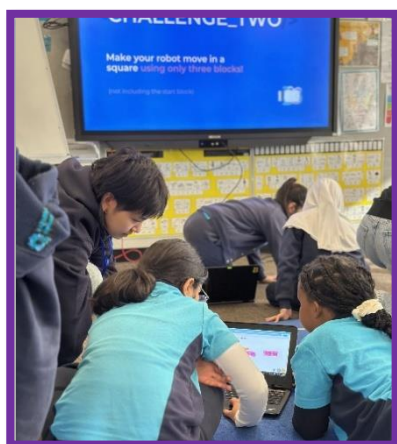

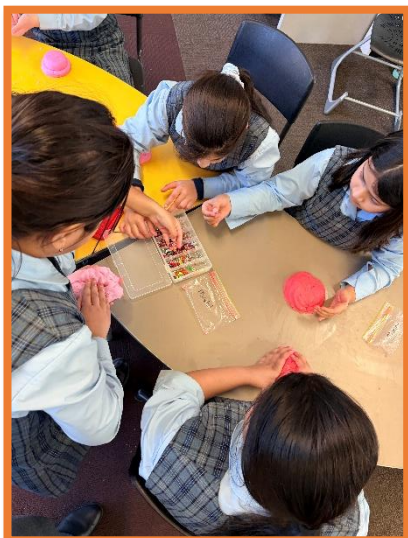

Each cabin group worked hard to keep themselves organised and tidy. Students demonstrated Character by trying new foods and setting up and breaking down breakfast and dinner.

On Thursday night some students participated in a talent show, which was easily won by Ronan with his knowledge of all of the countries in the world. Throughout the camp, students built confidence, resilience and friendships while creating wonderful memories. A great time was had by all!

The non-campers experimented with fluffy slime and made beautiful suncatchers. They also walked to Glenroy Hub to enjoy the playground. They all worked hard on their entry for a drawing competition, and **Jana** won with her **Sunset in Oil Pastels**. Well done!

During STEM this week, our SLC students were fortunate to take part in an exciting workshop led by volunteers from the University of Melbourne's Robogals program. The incursion provided students with an engaging introduction to the world of engineering and helped them explore how STEM plays an important role in our everyday lives.

Using LEGO SPIKE Prime robots and block-based coding, students worked through a series of hands-on challenges that

encouraged them to think creatively, problem solve and persevere when tasks became tricky. It was wonderful to see students showing curiosity, resilience, and teamwork as they collaborated with their peers to test ideas and improve their solutions.

*Have a great weekend!*

*Remember, everyday counts!*
