

Last Friday, the Foundation students celebrated **100 days of school** with the theme '**100 days brighter.**' They all looked fantastic in their bright outfits. Thanks to all the parents for making such a big effort to help their child be a part of it. Lots of parents also came along and joined in the festivities. The teachers looked nice and bright as well!

Students shared the morning with their parents and carers counting to and from 100. They then participated in rotation activities that involved the number 100.

Later on in the day, students made magnets, had a dance party and were presented with 100 days brighter certificates. They even got a yummy '100 days' cookie- Thanks Ayda! They all enjoyed celebrating the day and had the best day ever!

Congratulations to Foundation for a wonderful first 100 days and many more to come!

This term we are very excited to restart our **Auslan program** on a weekly basis. As we have been unable to secure a teacher for this role, we have joined an Auslan provider group called Auslan Education Services who provide the lessons to us for our Learning Community teachers to run via video and lessons plans. They also provide support if we need any assistance. As we have done Auslan for a number of years now, some of our teachers are quite good at it and the extra support of the videos will really help us.

This service also provides some great ways of practising your Auslan at home and teaching it to the whole family. Just look for **Auslan Time with Geo** and have some fun!

It's that time of year when we have to give our predicted numbers of students for 2026 to the Department of Education.

**If you will not be returning to Glenroy Central next year, please give the school office a ring on 9306 4144 to let us know.**

**Years 3 to 6 swimming** is now closed. **Final payments** are due on **Monday 11<sup>th</sup> August**. The program begins on 26<sup>th</sup> August Monday to Thursday for two weeks. It is great to see so many students taking this opportunity to improve their water safety and swimming skills.

Just a reminder that **all students need to wear proper swimwear** – no street clothing is to be worn in the water. Goggles and swimming caps can be worn. All students will need a towel.

Please make sure all items are clearly named and sent in a waterproof bag.

If you need assistance acquiring swimwear please contact the school.
