

Student reports will be distributed tomorrow, **Friday 21<sup>st</sup> June** before the Parent/Teacher/Student Conferences so that you have the opportunity to read your child's report carefully and think about any questions you would like to ask. **Inside the report envelope will also be your appointment time** so look out for the slip of paper. It is very important that you attend this conference with your child to get a clear picture of your child's progress at school. We look forward to meeting with you all. These interviews will be next **Wednesday 26<sup>th</sup> June**. If, for any reason, you are unable to attend at the given time on the day please contact the school office for rescheduling.

Next Tuesday the **1/2 Learning Community will be opening their Art Gallery**, that they have been busily creating over this term as part of their **Investigation 'How does an artist use chemistry to create a masterpiece?'** Creating the Art Gallery was a suggestion by the students and they were then further inspired by their visit to the National Gallery of Victoria. By now, all the 1/2 parents and families will have received their invitation so I am looking forward to seeing everyone **next Tuesday at 2.20pm** for the big event! They have completed some wonderful work and are very proud of their achievements. Don't forget your **QR reader** on your phone as the 1/2 Teaching Team have built some technology into the displays. If you can't come at the designated time you will be able to have a look on the following day when you attend your interview time. Everyone is welcome!

This week is **Planning Week** and each collaborative team of teachers has been busily planning for next term. This involves looking at the progress of each student by analysing all the data and setting goals for the coming term in maths, reading and writing. It also involves planning for next term's Investigation of **I Am a Physicist**. Students from each Learning Community participate in some of the planning for Investigations and offer suggestions of some of the areas they would like to investigate within the 'big question' that is **'What Can I Invent?'** This unit of work has a Design and Technology' focus so I am looking forward to seeing all the great inventions at our expo next term!

Don't forget your **Swimming Notes** for Years 3 to 6 and **Camp notes** for Years 5 and 6. Last day for Expressions of Interest for swimming is next **Tuesday 25<sup>th</sup> June**. Expressions of Interest and deposits for camp are not due until next term **19<sup>th</sup> July 2019**.

*Remember - Every Day Counts!*

*Have a good weekend*

**Jo Money**  
Principal

**End of Term**  
**School finishes at 2.30pm on Friday 28<sup>th</sup> June**

Don't forget the **2019 Woolworths Earn & Learn** program.  
**Collect your stickers at Woolworths and for every \$10 you spend (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker.**

**The more points we earn, the more educational resources we can buy!**

We are grateful for your support and look forward to a successful program. If you have any questions, please ask a **Junior School Council Member**.

When you see this

## SWIMMING Y3-6

The **Years 3 – 6 swimming program** at Broadmeadows Leisure Centre is coming up next term. Swimming is a very important skill for everyone to learn to ensure safety around water. It would be great to see as many students as possible participate in this great program. It will be an intensive program over 8 days. Forms have already gone out for Years 3 to 6. The swimming program for the F to 2 students will take place in Term 4.

## KINDER NEWS

The kinder children had a wonderful time celebrating Eid, Hiba's mum Kawsar kindly donated her time to talk to the children about how her family celebrate Eid and the traditions. She also gave each child a gift to mark the occasion. A huge thank you to Kawsar for sharing her culture with us.

This week the children also spent time looking at mindfulness sessions, they used the interactive TV to do yoga and learn poses.

**We are a Child Safe School.**

**Term 2 Diary**

**Interschool Sport: Friday 21<sup>st</sup> June Vs Moomba Park PS (away game)**
