

Yesterday **school reports** were distributed via XUNO. I hope you all managed to find them in the app. Please remember to download them to your own file or they will be gone when you leave the school. If you need assistance please ring the front office.

Meet the

TEACHERS

On **Thursday 3rd July** we have our Parent/Teacher meetings, beginning at 12:00pm. Don't forget to book your appointments via

XUNO. Please let us know if you are having any issues and the staff in the office will be happy to assist you. This is a wonderful opportunity to meet those teachers who are working with your child every day at school. I know the teachers look forward to meeting everyone and discussing your child's report and progress at school. We hope you find it useful to clarify any issues or questions you might have about your child's learning. There will be no school that day. Please remember to book by the cut off date so we have time to organise any interpreters required. If you cannot make your appointment time on the day, please call the school office.

EXPO

Next Monday after school we have our **Design Expo**. This is an opportunity for Parents and families to come along and have a look at all of the great inventions that have been designed as part

of our Physics topic. It will be open from **3:30 until 5:00pm** so come along and have a look.

Last week the 3/4 had their yearly camp to Malmsbury. All reports are that they had a great time and loved all the activities they got to do. See below for a report on how it all went!

CHEESE!

School photos have gone home today.

Please check your child's school bag to make sure you get them. We hope you like them!

Thursday 20th November

We are a Child Safe School.

All school policies are regularly updated:

To keep up to date you can follow this link:

<https://www.glenroycentralps.vic.edu.au/page/113/Policies>

The school treats any personal information we gather from you confidentially and in line with the Department's Privacy Policy.

Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.

Finally, it is with great sadness that we have to say goodbye to **Nicole Kendall** at the end of term. Nicole has worked as our **Primary Welfare Officer** for all fifteen years of our school and will be greatly missed by the staff, students and families in our community. Nicole has done her job with great professionalism and integrity and we have certainly benefitted from her expertise over the many years she has been with us. Nicole has decided she is ready for a new challenge and has taken a position at a secondary school. A big thank you to Nicole for all the fantastic

work she has done working with many of our families and liaising with various support groups in our community to ensure that all of our families have the support they need. We wish her all the best for her new position. Nicole's last day will be next Thursday.

*Have a great weekend.
Remember, every day counts!*

**Jo Money
Principal**

Reminder: Monday is our Design Expo!
**Drop in after school and see our great inventions made
this term for our topic**
I am a Physicist
Thursday 3rd July is Parent/teacher interviews
No school on Thursday

Friday 4th July – House Spirit Day – wear your t-shirt!
School finishes at 2:30pm for end of term!

Enrolments are open for the coming year. If you have a sibling who you have not yet enrolled, please make sure you contact the school office to get the necessary paperwork.

FOUNDATION TOURS: If you know someone who lives in Glenroy and is interested in our school, we are conducting school tours for 2026 enrolments. Ring the school office on 93064144 to book in on one of the available dates.

Our school enrolment zone can be found at www.findmyschool.vic.gov.au

REPORT from 3/4 Camp

Last week the 3/4 students attended Camp Doxa from Wednesday 18th to Friday the 20th of June. The students were both excited and nervous at the thought of being away from home for 3 days, especially those that had never been on camp before.

We were lucky enough to have great weather. Despite it being really cold at night, the days were mainly clear and sunny.

When we arrived at Doxa we unloaded our gear and met in the recreation room for an orientation of what to expect at

camp. After that we had a scavenger hunt to familiarize ourselves with the camp. It was amazing to locate all the cool things around camp.

Straight after the scavenger hunt, we started the activities. They were so much fun. We got to do Giant Swing, Crate Stacking, Climbing Wall, Low Ropes Course, Archery, Bushwalking, Nature Craft and a Teacher-led activity. Every activity was fun in its own way.

There was plenty of food at camp and it was delicious. We were lucky enough to have ice-cream for dessert, and morning and afternoon tea as well.

After dinner on the first day, we had a games night, and a talent show on the second night. It didn't take too long for the students to fall asleep after a very busy and exciting day.

We all had an amazing time at Camp Doxa with many students asking if they could stay longer!!

Report from non-campers' program

Last week, while the campers were away the non-campers participated in a rotation of fun activities! On Wednesday, they started off with some Blooket where they students had to pair up and show Collaboration to answer the most questions correctly. They then got to choose a drawing tutorial to follow and entered their drawings into a drawing competition. After lunch, they rolled up their sleeves and got their hands dirty by making slime, playdough and magnetic finger painting. To end the day, the students went onto Scratch Jr and worked on their STEM projects.

while participating in some riddle puzzles.

Friday morning, the students walked over to the Glenroy Hub. When they arrived, Jess read a picture book to them and then the students got to roam the library and find some books to read independently. After their reading, the students enjoyed some fresh air on the playground outside the library where they played games like tag and enjoyed the swings.

Session 3 was very competitive with students participating in a scavenger hunt. They had to make teams of 3 and complete all 7 clues. The teams that came in 1st, 2nd and 3rd were awarded with another custom-made sticker. To end the day, the students went to the Glenroy Central Cinemas to watch The Secret Life of Pets where they enjoyed a fresh bag of popcorn and their choc chip cookies. It was a busy 3 days, but the students had so much fun!

As we didn't post a video in last week's newsletter, this week there are **two** Friend-O-Logy videos for you to watch with your family!

What is a Friendship Ninja? How can they make friends? Post #4

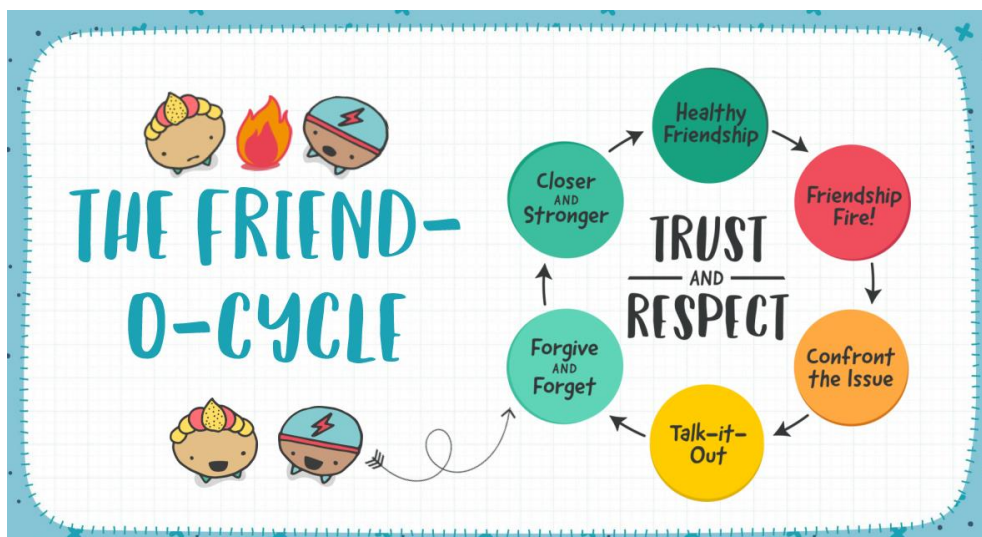

Meet our **Friendship Ninjas**, Aarav, Teamo, Ibby and Parth! Learn some tips to **make friends** from Ahmad M, Adam B, Khaled and Zak.

[CLICK HERE](#) to watch the video!

What is the Friend-O-Cycle? Post #5

Friend-O-Cycle experts Nadia, Saanvi, Zunariah, Ayat, Serah and Camille will teach you all about the different stages of friendships.

[CLICK HERE](#) to watch the video, and remember you can always find these videos on our website!

INTERSCHOOL SPORTS REPORT

Grand Final

Sport: Netball

Round: Grand Final

Date: 20/06/2025

Opponent: Westbreen PS

Netball

Last Friday the mixed netball team played in the grand final against Westbreen. It was a tough game but we put up a fight and all tried our best. Unfortunately we lost 10 to 19. Even though we didn't win, everyone should be proud of the effort they put in and the great sportsmanship we showed towards each other and the opposition.

We had a great season and would like to thank our amazing coach Caitlin for helping us through it all.

The best and fairest for the game was ... EVERYONE! Everyone in the mixed team put in so much effort and played an amazing season!

100 DAYS BRIGHTER

Dear Foundation families,

To celebrate 100 days of school, the Foundation students will be dressing up in bright colourful clothing to celebrate '100 days brighter'.

Families are invited to attend on this day between 9:10am and 10:45am. Students will be participating in fun activities that involve the number '100'. Here are some dress up ideas..

FRIDAY 25TH JULY, 2025
