

This week we congratulate those students who have been appointed to the very important jobs of **School Captain and House Captain**. There were a large number of students who applied for the roles and I thank all those that were interested and put so much effort into their applications – it was a difficult choice. All the Year 6 students are the leaders in our school and will be excellent role-models for all our students over the year. Our newly elected leaders and all Year 6 students will have the opportunity to attend **the GRIP Leadership Conference** in the city on **March 14<sup>th</sup>** to help build their knowledge and skills. Congratulations to those who have been selected for these special positions and I look forward to working with them all.

**DATE: Thursday 22<sup>nd</sup> March 2018**

**TIME: 3.35pm**

**ALL WELCOME**

The first meeting of the new school council will be held at the conclusion of the Annual General Meeting.

A reminder to all about **road safety**. If you park on the far side of Logan St before or after school please remember to set a good example and use the **school crossing** to cross the road. I have noticed many children and parents walking from between parked cars to cross the road. This is very dangerous and we want to ensure that everyone stays safe. **Rita, our crossing lady**, would love to have more customers so please take the extra seconds to walk to the crossing and make it safely to school and home!

# 21 MARCH HARMONY DAY

Harmony Day is celebrated on 21st March every year. For Australia, it is a day to celebrate our culturally diverse society. The day is organised by the Australian Government Department of Immigration and Border Protection.

Although Aboriginal and Torres Strait Islander people have lived in Australia for thousands and thousands of years, most of Australia's population is made up of people whose families only arrived in the country within the last 200 years.

This means that everyone has different and varied backgrounds: Italian, Greek, English, Lebanese, Irish, Turkish, Canadian etc.

All the different cultures that come together in Australia bring many things with them: different foods, ways of dressing, languages, customs and beliefs.

**Harmony Day is about celebrating these differences and learning about new cultures.**

At Glenroy Central Primary School, we are going to celebrate this day with a **parade of costumes** and a **special multicultural lunch**. The Junior School Council will be promoting this event in the coming month so watch out for coming details!

Zooper Doopers are sold for **\$1.00** from the canteen on Fridays during Term 1 and Mondays and Wednesdays over 25 degrees. Any money raised goes towards equipment for students and Grade 6 graduation. Purchase of these is completely at parents' discretion.

**Drop off your Coles Sports for Schools vouchers in the front office or Learning Community!**

**WINTER UNIFORMS:** If you have girl's winter pants or a pinafore that your child has outgrown and you would like to sell them through the second-hand uniform shop please bring them to the office as we have families interested in buying these items. All uniforms must be clean and in good condition.
