

Thank you to those people who have been assisting with the traffic safety in Logan St by driving at an appropriate speed and parking carefully. Please make sure you stay alert and be aware of the school crossing and our very precious crossing lady Rita. You may have noticed the police have been around before and after school reminding everyone to take care as we continue to see some dangerous behaviour that puts lives at risk. We want everybody in our community to be safe around our school. We understand that traffic can be congested at certain times but please be patient and remember to stay in your car in the drop-off zone.

It was great to see so many Foundation parents at our morning tea yesterday morning. A big thank you to Nicole and Kimberly, our Welfare staff, for organising this opportunity for the parents to catch up with some people they already know, get to know some new people and maybe make some new friends!

Don't forget that next Monday 11th March is a public holiday for Labour Day so all schools will be closed.

Remember - Every Day Counts!

Have a good long weekend

ANNUAL GENERAL MEETING of GLENROY CENTRAL PRIMARY SCHOOL:

DATE: Monday 25th March 2019

TIME: 5.00pm

ALL WELCOME

The first meeting of the new school council will be held at the conclusion of the Annual General Meeting. The new school council will then make a decision about meeting times for the coming year.

KINDER NEWS

The kinder children have been making the most out of the warm weather. We have spent lots of time playing in the schools play areas as well as having water play in our own yard. With the warm weather, the children have needed extra assistance to calm and keep cool. We

have engaged in daily meditation sessions as well as starting with some very basic yoga poses.

We are a Child Safe School.
