

*Congratulations
on your Wedding!*

This week we say a big congratulations to Jess in our 5/6 team, who got married last Saturday. By all accounts they had a wonderful day of celebrating with their families and friends. On behalf of the staff, students and community of Glenroy Central PS I would like to wish Jess and her new husband John all the best for a long and happy life together.

Jess is already back at school and will be taking time off towards the end of term for her honeymoon.

This week the Student Voice Ambassadors led the school on our Clean Up Australia Day campaign. We spent 15 minutes doing a tidy up around our school and making sure there was no plastic or rubbish on the ground to get swept down the drains and into the ocean.

The students did an excellent job armed with gloves, buckets and brooms with each Learning Community focussing on a different area of the school. Thanks everyone for helping us keep our part of Australia clean!

KINDER NEWS

Over at the kindergarten we have been enjoying getting out into our surrounding environment by exploring the school a bit more. The three-year-olds had their first visit on Wednesday and the four-year-olds have been meeting Lauren at the pirate ship each Wednesday and will have their first visit to the Foundation room Thursday.

Our current focus for our kindergarten children has been to focus on their language and development. You will see us engaging the children with fun rhymes, songs and finger puppets.
