

This term our investigations topic is 'I Am A Physicist' with each Learning Community focusing on a different area but with everybody focussing on inventions! This topic allows for lots of creativity as well as a lot of fun. It also involves the design skills of plan, draw, model and evaluate.

The **Foundation** students will be answering the question 'What can I invent with sound?' They will be heading off to hear many musical instruments that make a range of sounds with a trip to Hamer Hall to hear the Melbourne Symphony Orchestra. I'm sure they'll get some good ideas for what they can make.

The **1/2 Learning Community** will be answering the question 'What can I invent using gravity?' They will be looking at the forces of gravity, push and pull. They will be exploring inventors and how things get invented through reading and discussing picture story books.

The **3/4 Learning Community** will be answering the question 'What can I invent using heat and force?' They will be exploring friction, magnets and electrostatic forces and look at ways this knowledge was used to create things.

The **5/6 Learning Community** will be answering the question 'What can I invent using light and electricity?' They will be exploring the

Big Questions

Foundation:
What can I invent with sound?

Year 1/2:

What can I invent using gravity?

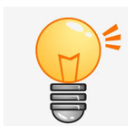

Year 3/4:

What can I invent using force and heat?

Year 5/6:

What can I invent using light and electricity?

many sources of electricity, electrical circuits as well as the refraction and reflection of light.

All of this amazing work will finish with a **Design Expo** where everyone can come along and see all of the great inventions and students can explain to parents and family how the physics knowledge gained is used in their invention.

The principal of **Glenroy College**, Andrew Arney, is coming over next week to visit the 5/6 Learning Community and tell them about the college. He will also be available straight after school on Thursday 8th May down near the back gate of our school in Melbourne Ave, if any parents would like to have a chat with him about the college. He is looking forward to meeting people and answering any questions you may have.

Term 2 2025

5/6 excursion to Scienceworks – May 7th

Mother's Day Stall – 8th May

Bouquets and breakfast – May

9th to celebrate Mother's Day

Foundation excursion MSO at

Hamer Hall May 9th

5/6 Parent camp info session – 3:30pm 19th May

5/6 Camp – June 4th to 6th

School Photos – June 11th

3/4 Camp – June 18th – 20th

Design Expo: June 30th 3:30pm

Parent Teacher Interviews –

July 3rd (12:00pm to 7:30pm)

Pupil free day

House Spirit Day – July 4th

We are a Child Safe School.

All school policies are regularly updated:

To keep up to date you can follow this link:

<https://www.glenroycentralps.vic.edu.au/page/113/Policies>

The school treats any personal information we gather from you confidentially and in line with the Department's Privacy Policy.

Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.

MOTHER'S
DAY

Breakfast
Please join us

Next Friday 9th May, we will be hosting "Bouquets and Breakfast" in the gym at 8:30am. We invite each student to bring along an important female role model such as their mum, aunty, grandmother or other special person to enjoy a light breakfast and make some beautiful crepe paper flowers. If you would like to come, you **must** RSVP on Xuno by **Monday 5th May** so that we can make sure we have enough food and craft supplies for everyone. Unfortunately, you will not be able to enter the gym without an RSVP as all guests need to check in upon arrival. We look forward to seeing all of you there!

Have a great weekend!

Remember, every day counts!

Jo Money
Principal

Thursday 8th May
Gifts for sale from \$1.00 to \$8.00 -
lots of choices

Please send money on the day only. Use an envelope or zip lock bag for your child to keep their money safe and clearly label it with your child's name and year level.

I ♥ MUM

FOUNDATION TOURS: If you know someone who lives in Glenroy and is interested in our school, we are conducting school tours for 2026 enrolments. Ring the school office on 93064144 to book in on one of the available dates.

Our school enrolment zone can be found at
www.findmyschool.vic.gov.au

Glenroy Central
Primary School

You are invited to Mother's Day

Bouquets and breakfast

at Glenroy Central Primary School

Come along and share quality
time with your child making your
own crepe paper flower bouquet
and enjoying breakfast!

Who: Mums, aunties, grandmothers or other
special role models

When: 8:30am Friday 9th May

Where: Gym

RSVP: by Monday 5th May on Xuno

KINDER NEWS

For ANZAC Day, the children made special handprint art to remember the brave men and women who served our country. The red handprints show the colour of the poppy flower, which is a symbol used to honour those who have died in war.

This simple activity helped the children learn about the ANZAC spirit, courage, friendship, and strength. It gave us a gentle way to talk about remembering and thanking those who came before us.
