

This week is National Volunteer Week 2026 running from **May 18 to May 24, 2026**. This year's theme is "Your Year to Volunteer", highlighting the varied ways people give their time.

I would like to take the opportunity to **thank all of those volunteers** who generously give up their time to help out in our school. This includes community members who come in weekly to help out in Breakfast Club and work with students in the Learning Community, parents and grandparents who come along to do tasks like changing reading books, parents who help out with special days, healthy lunches, mother's and father's day stalls as well as those who are on School Council and the Education Sub Committee. We really appreciate the time and positive energy you give to our school – we couldn't do it without you!

Tomorrow on Friday 22nd of May, don't forget the Student Voice Ambassadors have organised a Walk to School Day. This event is held annually and is crucial for promoting children's

health, road safety and environmental awareness. You can walk part of the way, scoot or ride – it all counts! Each student who participates will receive a free tattoo!

This week is **Education Week** and with the theme of **Showcase your School**, we will be having an open afternoon on Friday from 2:20 to the end of the day where you can come along and join in some activities. Each Learning Community will have their own little assembly in the Learning Community at the end of the day instead of assembly in the gym as well as an opportunity to see what happens in our school.

The school treats any personal information we gather from you confidentially and in line with the Department's Privacy Policy.

Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.

We will be **providing student achievement reports for Semester 1** this year as usual. The reports will be distributed on **Wednesday 17th June** via XUNO. The reports provide important details about student learning attainment and will continue to indicate student achievement against the relevant curriculum areas of the Victorian Curriculum, but full descriptive comments will not be included as a result of industrial action taken earlier this term by the Australian Education Union. We will of course be pleased to discuss with you your child's progress at our next parent-teacher interviews scheduled for Thursday 25th June. You will be given an opportunity to book a suitable time in the week before through XUNO.

Have a great weekend!

Remember, everyday counts!

A message from the team

Dear Families,

Last week, we conducted a lockdown rehearsal to help children practice the procedures to follow in the event of an intruder on the premises. The children were very attentive to the instructions provided during the drill and asked thoughtful questions about different situations that may occur during an emergency.

These rehearsals are an important part of our safety procedures and are designed to help children understand what they should and should not do during such an incident, as well as how they can assist educators by remaining calm and following directions.

As part of our policy and commitment to safety, we would like to remind all families that parents and guardians are required to accompany their children into the service to sign them in at drop-off and sign them out at collection time.

We would also like to remind families of our booking cancellation policy:

Permanent booking cancellations require 7 days' notice.

Casual booking cancellations require 48 hours' notice.

Please note that a late collection fee of \$15 will apply after 15 minutes past closing time.

Thank you for your ongoing cooperation and support.

Kind regards,
Deb
