

Thursday 8th May

On Thursday, the Year 5/6 students took part in a leadership and motivation workshop led by Lorin Nicholson. Lorin is a motivational speaker, musician, athlete, and allied health professional who captivated the students with inspiring stories and personal anecdotes. He offered valuable insight into living with a disability, as he is legally blind, and emphasised the importance of communication, respect, and integrity.

Lorin guided the students in setting meaningful personal goals and used his own life experiences to promote resilience and self-determination.

The students were truly inspired by Lorin's incredible achievements and musical talent. We feel very fortunate to have participated in such a powerful and uplifting workshop.

The school treats any personal information we gather from you confidentially and in line with the Department's Privacy Policy.

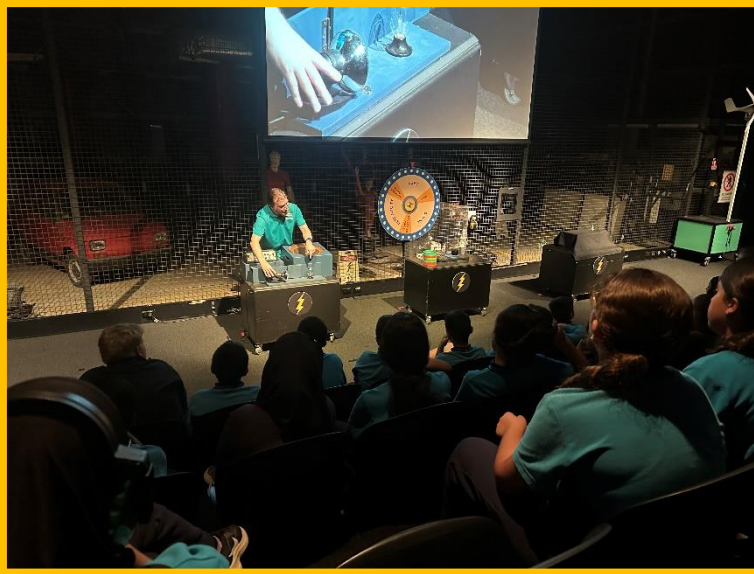

Please note: The school yard is supervised from 8:45am each morning until 3:35pm each afternoon Monday to Friday.

On Wednesday, the 5/6 students went on an excursion to Scienceworks to explore their big question "What can I invent using light and electricity?". They had a great time learning about different types of energy in the lightning theatre.

Students were amazed to see how lightning works and how energy is either working or stored. They then had the opportunity to explore the rest of the museum where they were able to test out all of the interactive displays. Look out for the student inventions later in the term at our Design Expo!

Today we had a very successful **Mothers' Day Stall** with lots of shopping being done! The children all chose very carefully to get just the right present. I hope that all the mums and grandmothers out there have a wonderful day and that you are a little spoilt by those you are usually spoiling! Thank you to Mariam and Kerry from our office who did the organisation and did a great job running the stall. Thanks also to our parent helpers **Zikra, Joyce, Nicole and James**. We really appreciate your assistance with some very important purchases!

*Happy Mother's Day to all the mums
and grandmothers out there!*

*I hope you have a fantastic day!
Remember, every day counts!*

Principal**

SCHOOL SAVING BONUS REMINDER

Don't forget to use your one-off support of \$400 for eligible government school students from Prep to Year 12 in 2025. The SSB can be used for uniforms until **Monday 30 June 2025**.

Any funds remaining after 30 June 2025, including online voucher amounts that have not been redeemed, will become a credit to use on school activities. However, the credit will not be available on your family account at our school until late July.

To use any remaining SSB funds to cover the cost of school activities in July, please refer to the [SSB online system](#) and allocate the funds to school activities before 30 June 2025.

To learn more about the SSB online system, download the step-by-step [System guide for parents and carers \(DOCX, 945KB\)](#) or watch this [School Saving Bonus video](#). [System guide translations](#) are also available in 14 languages.

The Department of Education's SSB contact centre will remain available until 30 June 2025. The contact centre can be reached by:

- completing the [School Saving Bonus enquiry form](#)
- calling 1800 338 663, between 8:30 am and 4:30 pm on weekdays.

After this date, please contact our administration team for any SSB related questions.

FOUNDATION TOURS: If you know someone who lives in Glenroy and is interested in our school, we are conducting school tours for 2026 enrolments. Ring the school office on 93064144 to book in on one of the available dates.
