

The new bike shed is now up and going! We are very excited to see our new bike shed being used by our regular riders. The bike shed will be opened each day when the back gate is opened and then locked when the gate is locked to ensure the safety of all bikes. We hope it may inspire a few others to start riding their bikes.

The 1/2 students had an incursion on Tuesday 18th November as part of our history unit.

We had the Broadmeadows Historical Society come and visit. The students learned about the history of Glenroy community with the changes that have occurred throughout many years. For example, the Glenroy train station and the amount of houses. The students also looked at historical items such as, olden day phones and irons. They learned a lot about the past and made connections with the modern world.

Social Media Age Restrictions

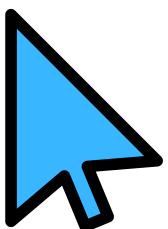

From 10 December 2025, many social media platforms won't be allowed to let Australians under 16 create or keep accounts. The changes aim to protect under-16s from pressures and risks they can be exposed to while logged in to social media accounts.

How will the social media age restrictions affect me?
