

# House Sports Day

Yesterday we had a great **House Sports Day**. The weather was very kind to us with a beautiful sunny day. It was great to see some parents come along and join us for the day to support the teams. We spent the morning up at **Cook Reserve** for the running races and relays and then headed back to school for some lunch and the afternoon activities!

A lot of organisation

was required to make the day run smoothly. A special big thank you to Matthew who spent a lot of time and effort creating a great program for the day. Thanks also to the teachers, parents and admin staff who all combined to get everything done and ensure that everything ran smoothly.

A special mention to the **House Captains and School Captains** as well. The House Captains led their teams with great enthusiasm and the School Captains showed great leadership skills working to coordinate everything and ensure that everything ran well on the day.

Congratulations to **Team Logan** who won the House Sports Cup for 2019!

*Remember - Every Day Counts!*

*Have a good weekend*
