**Policy**

There are many occasions during the school year where Glenroy Central Primary School staff photograph, film or record students participating in school activities or events, for example Learning Community activities, sports events, concerts, excursions and camps.

We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student learning, communicate with our parents/carers and school community in newsletters and documentation posters. There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Glenroy Central Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carers consent and how consent can be provided and withdrawn.
